

Amelia Village Parks

Robert W. Groh Community Park **Huntsmans Trace**

A small five-acre neighborhood park that is within walking distance in the Quail Creek Subdivision. Groh Park includes the following facilities; Picnic Pavillion, Children's Playground, Blacktopped Walking Trail, Chipped Walking Nature Trails, and Basketball Courts.

Note: Plans are underway to develop a future skateboard park.

Spencer Shank Memorial Park **Robin Way/ Canary Lane**

Approximately twenty acres that is envisioned as a facility with something for everyone. The approved Master Plan developed by Meisner & Associates envisions at least ten development phases. We are planning to break ground in Spring 2002 on Phase I, which will include a children's playground area, signage, and a 3,000 linear ft black topped walking trail on the east side of the park. Future phases will include:

East Park

1. Baseball/Softball Field
2. Regulation size Football Field
3. Regulation size Soccer Field
4. Practice Soccer fields
5. Picnic Pavilion/restroom facilities
6. Parking facilities for 60 cars on the east side of the park
7. 3,000 linear ft. Walking trail
8. Physical fitness stations

West Park

1. Two Childrens Playground areas
2. Two regulation size Basketball Courts
3. Two regulation size Tennis Courts
4. Nine hole Frisbee Golf Course
5. 3,000 linear ft. Walking trail
6. Picnic Pavilion/restroom facilities
7. Parking facilities for 60 cars on the west side of the park
8. Performance Ampitheatre

Quail Creek PUD II Greenspace

As part of the Quail Creek PUD II subdivision plan there are plans to provide almost thirty acres for greenspace and recreational facilities. Most of this thirty acres will consist of natural greenspace throughout the subdivision with a chipped walking trail throughout. There is also planned to a small Gazebo with Children's play area near Grouse/Arrowhead and a small picnic shelter with recreation areas near a small pond in future phases near Jenny Lind Rd and Lyons Rd.

Amelia Elementary Ball fields:

Amelia Village Recreation Commission also leases from the West Clermont School District the ballfields behind the Amelia Elementary School. The Village manages and maintains these facilities for the benefit of the children of the Amelia area. The Village provides all of these facilities at no charge to the community.

Amelia Park Subdivision

The developers of the Amelia Park Subdivision have planned a small 2-3 acre parcel that will be dedicated to the Village upon it's completion. The current plan for this parcel is to keep it in it's natural state due to the limitations of the surrounding topography.

The Amelia Business Association, Inc.

Serving the Greater Amelia area

History of the Amelia Business Association

The Amelia Business Association meets at 8.00 am on the second Thursday of each month at Abbott's Family Restaurant.

The Amelia business area, along with the surrounding area, began to grow immensely in the early 1980's. A handful of local business people and a few Village council members saw a need to work together, to promote and to advance the core business area.

Late in 1991 this small group got together to decide how best to address this challenge. After a number of preliminary meetings the idea of a Business Association was accepted as the best method to achieve everyone's desires. A small deposit was made in February 1992 to start the Association.

At the Feb. 11, 1993 meeting the Association voted on and passed the "Code of Regulations". The Amelia Business Association was the accepted name. From its beginnings the few businesses involved worked hard, not only to invite other businesses in but to promote the area to outsiders. It was apparent that if they were to accomplish anything, membership was a priority. This they actively addressed.

In 1994, with membership growing, the association voted to accept the proposed "Articles of Incorporation" which were then presented by the Board of Directors with Terrance Monnie as the legal advisor. Work began on a Mission Statement and a few months later that statement was approved.

The association has accomplished a number of things in these early years. It has worked to support education, to promote the area to new businesses and builders. It has been involved in area contest and sponsored the first Great Amelia Steak Out. It provided funds to begin the Chatterbox, a monthly area letter. It has donated two special bikes to the Amelia Police Department and the necessary items to go along with the bikes. It supports the Annual Amelia Christmas Parade. It hosts a Christmas Party for its members. In 1997 the first ABA Directory was introduced at the Christmas Party. Membership doubled in 1998 and continued to grow in 1999. In 1999 the first golf outing to raise money for the Scholarship Fund was held and will become an annual event. Evening get together socials are planned

for the new Millennium.

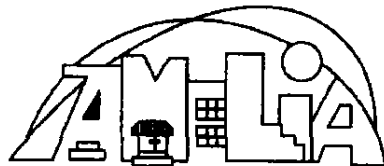

The future of the Amelia area depends in a great deal on our youth. Support of education on all levels must be a major concern. Our future has just now begun. Yesterday is history. How we can help our youth now, is today's challenge. The ABA, Inc. is dedicated to being a major player in the growth and advancement of our youth and our area.

Banking in Amelia

The Amelia State Bank called "The Old Bank" was organized in 1909 and dedicated February 10, 1910, and still stands today next to the Amelia Elementary School. In the years since it was "The Old Bank", the building has been a craft store and a recording studio. John Taylor is the present owner. The old bank is now being restored with new windows, gutters, brick - a total renovation. Also the bank vault was added in 1909 and still works today.

Today in Amelia, residents can do their banking at many financial institutions.

Amelia Area Historical

THE AMELIA-AREA HISTORICAL SOCIETY, Inc. is a non-profit organization purposely created on October 22, 1999 for the collection, preservation, & promotion of Community History in and around Amelia Village.

THE SOCIETY works in conjunction with the Clermont County Historical Association and a collaborative of local societies. It takes pleasure in keeping Amelia village Council informed of its progress related to the restoration of an intended museum within an historic building it leases from the Village.

THE PROPOSED MUSEUM.... "The Morse House" is an 1850 ERA 2-story brick home @ 44 Oak Street in Amelia, and is situated on an 8-acre tract owned by the Village. The name is derived from the resident-owner... Increase Sumner Morse (Aug. 25, 1806 - June 16, 1875), who opened a store on the premises.

MR. MORSE was one of 6 generations of the family migrating out of New England and blessed with high standards of intelligence and achievement. At an early age he came to the highlands of Clermont, prospered in Ohio River trades, and operated a local business until his death. One member of the accomplished MORSE family invented the MORSE Telegraph, and a cousin, JOHN GREENLEAF WHITTIER, was famous as a Poet of Freedom during the early 19th Century.

THE GOVERNING BOARD OF TRUSTEES of the Society include Richard Crawford, Douglas Dietrich, Elaine Dietrich, Robert W. Groh, Clifford Hughes, L. Marlene Menz, Carole Schulze, and Pam Troxell. Your attendance is invited at its monthly meetings (4th Monday of each month) at 7:30 p.m. at the Municipal Building. Your interest in history is important and any material or financial contributions would be helpful. A first edition of the Amelia History Book is available at \$10.00 each and could make a fine gift for the right person in your life. You may contact any of the Trustees or call either Pres. Robert W. Groh (753-5777) or Secretary Elaine Dietrich (753-5338) for information. The mailing address is, The Amelia-Area Historical Society, Inc., 44 Oak Street, P.O. Box 481, Amelia, Ohio 45102. The fax number is 753-0079.

Welcome

Welcome to the AYAC Web Site.

1st in10 - March Levy - West Clermont School District

West Clermont School District is placing a 7.9 mill five year operating levy on the March 2nd primary ballot.

The slogan "First in Ten" is the first time in ten years that the district has asked voters for an increase in revenue.

If the levy does not pass the District will have to make \$3 million plus in cuts.

Effects of cuts:

- * No Sports
- * No Extra Curricular Drama Programs/Groups
- * No Extra Curricular Music Programs/Groups
- * No High School Bussing
- * Larger Class Sizes

Three community forums have been scheduled to discuss the March 2 levy and why it is needed:

Saturday, January 31, 10 a.m. at Glen Este High School.

Sunday, February 8, 1 p.m. at Amelia High School

Tuesday, February 10, 7 p.m. at Merwin Elementry (Child care provided)

So get out there on March 2nd to vote and let's show them that AYAC cares about our children.

Welcome to

Police Department

Prior to the 1900's, there was no official police department. Marshall Joe White was the 1st person appointed to patrol Amelia. In 1952, George Chase was Police Chief. The Village purchased the first police cruiser in 1957.

Today, the Village of Amelia's Police Chief is Greg Homer. The Police Department has grown from 1 officer working 8 hours to 10 officers working 24 hours/7 days a week.

Fire & Paramedic Services

Two major fires raged in Amelia prior to 1927. One destroyed the Brown Pharmacy, W.G. Hall, and the Methodist Church. The second destroyed the Coulter Cannery and the C.G.& P. Station. Both were hard fought, but without much equipment, the fight was futile.

In 1925 the Village purchased the first mechanical fire truck. A second truck was purchased in 1932. These trucks called many place home. The present Municipal Building was built as a fire house but it was never used. In 1950, the B.M.O.P. (Batavia, Monroe, Ohio and Pierce) Fire Department was formed. B.M.O.P. organized and built a new fire house first, and Village Officials thought it would be better to contract with B.M.O.P. and disband the Amelia Fire Department. In 1952 Village Council gave B.M.O.P. a 1932 Pumper and cash in exchange for one year of fire protection.

In 2002, B.M.O.P. merged with Batavia Township and Batavia Village to form the Central Joint Fire District. Currently, B.M.O.P. still owns the Pumper and it is stored in a local barn by Trustees of B.M.O.P.
